

CB1300

Rad covers

Fittings.

4x M6x16 C/sunk allen head bolts.
4x C/sunk alloy washers
2x Rad covers
2x clear plastic trim

Remove the original fixing bolts and alloy covers from side of radiator and replace with the Pyramid rad covers with bolts provided.

Fit the clear edge trim supplied to the bottom edge of the tank, where the covers meet the tank to protect the paint finish.
